Construction hours: Weekdays - 7:00 a.m. to 7:00 p.m. Occasional weekend work required.

Map of work area:

What is happening?

- Crews working on behalf of Metrolinx will temporarily close the sidewalk northeast of the Martin Grove Road and Eglinton Avenue West intersection to complete utility work as part of station box construction.
- This work involves relocating existing underground utilities and is required to continue construction activities on the station box.
- A station box is an underground box-like structure that forms the main body of a transit station.

What to expect

- Residents can expect to see and hear noise from large machinery, such as drills, excavators, dump trucks and equipment. Construction lighting may be visible on the work site.
- Measures are being put in place to reduce dust, including the use of water sprayers and biodegradable dust suppressants.
- Weekend or overnight work may be required. Residents will be provided with updates as they are made available.
- The information provided is anticipated based on the current construction schedule and is subject to change.
- Work is subject to permit approval from the City of Toronto.

Traffic and pedestrian impacts

- The sidewalk northeast of the Martin Grove Road and Eglinton Avenue West intersection will be closed for approximately two weeks.
- All four crossings at the intersection will remain open.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometres from Mount Dennis Station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
