Paton Road Underpass: Temporary closure

The Paton Road underpass, part of the Davenport Diamond Public Greenway project, will close temporarily, starting **September 1, 2026***, as crews continue construction.

**Date is subject to change.*

What to expect:

The Paton Road Underpass will temporarily close, starting September 1, 2026*, with a planned reopening in 2027.

This closure is necessary for crews to safely complete construction for the Davenport Diamond Public Greenway.

Throughout construction, there will be no disruption to vehicle or pedestrian traffic along the east and west sides of Paton Road. Pedestrian access under the overpass itself will be closed during this time.

**Date is subject to change.*
