

Temporary sidewalk closure and street parking restrictions on Gerrard St. East for DOLA water fountain commissioning

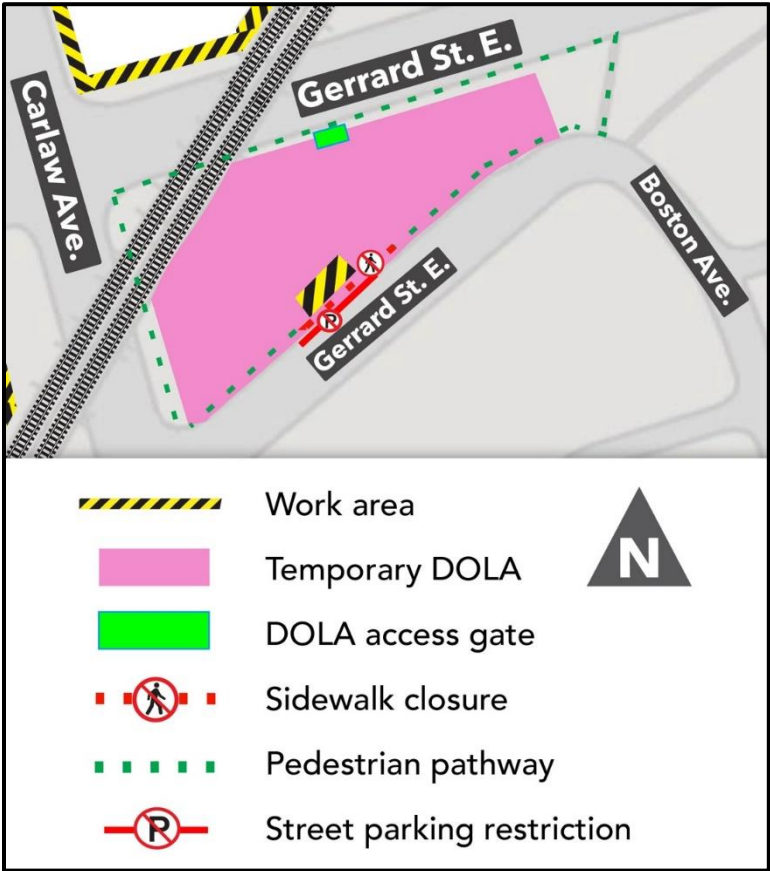

Scheduled Start Date: September 29, 2026
Scheduled End Date: September 30, 2026
Working Hours: Monday to Friday, 7 a.m. to 5:30 p.m.

What is happening?

Beginning as early as **September 29, 2026**, crews will be connecting the City watermain to the temporary dog off-leash area (DOLA) water fountain. In order to complete this work, crews must occupy roughly four street parking spots on Gerrard St. East. **Roughly four street parking spots near the work area will be inaccessible from September 28, 2026 at 5 p.m. to September 30, 2026 at 5:30 p.m.** The sidewalk at the south entrance of the DOLA will also be inaccessible. Pet owners can still access the park on the north entrance. This work will take place from **7 a.m. to 5:30 p.m.** for approximately **two business days**.

What to expect

- Short-term pedestrian detours and street parking restrictions will be required around the work area.
- Traffic barrels, fencing and signage will be in place to safety separate the work zones.
- Noise and vibration from construction equipment can be expected. Crews will do their best to minimize disruption to the community.
- Crews will excavate the existing sidewalk near the fountain, connect the utility, then restore the sidewalk.
- Construction may be postponed or rescheduled due to weather conditions or unforeseen circumstances.

Traffic Changes

- Street parking on Gerrard St. East near the work area will be temporarily restricted while the water connection is in progress.

Pedestrian Access

- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Transit Service

- There is no anticipated impact to transit services.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.

- 28,000 fewer cars on the road each day.
