

Temporary lane closure and bus stop relocation on Eglinton Avenue West near Martin Grove Road

Scheduled start: Monday, October 5, 2026

Expected completion: Monday, October 19, 2026

Construction hours: Weekdays - 7:00 a.m. to 7:00 p.m. Occasional weekend work required.

Map of work area:

What is happening?

- Crews working on behalf of Metrolinx will be temporarily closing a lane to complete ongoing utility work as part of station box construction at Martin Grove Road and Eglinton Avenue West.
- This work involves relocating existing underground utilities and is required to continue construction activities on the station box.
- A station box is an underground box-like structure that forms the main body of a transit station.

What to expect

- Residents can expect to see and hear noise from large machinery, such as drills, excavators, dump trucks and equipment. Construction lighting may be visible on the work site.
- Measures are being put in place to reduce dust, including the use of water sprayers and biodegradable dust suppressants.
- Overnight work may be required. Residents will be provided with updates as they are made available.
- The information provided is anticipated based on the current construction schedule and is subject to change.
- Work is subject to permit approval from the City of Toronto.

Traffic and pedestrian impacts

- One eastbound centre lane on Eglinton Avenue West will be temporarily closed for two weeks.
- Eastbound bus stop #2382 on the southeast corner of the intersection will be temporarily relocated to the southwest corner of the intersection.
- Traffic and pedestrian impacts will occur in future stages. Further notification will be provided.

About the project

- The Eglinton Crosstown West Extension will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day.
- The extension of Line 5 Eglinton will run 9.2 kilometres from Mount Dennis Station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
