What Is Happening?

As part of preparatory work for the future Stockyards Station, crews will remove select vegetation on Nashville Avenue. This work is required to support future construction activities, including utility water main work. Crews will use a bucket truck to trim and remove select trees. Residents and businesses in the immediate area may experience some noise associated with vegetation clearing. Work is tentatively scheduled for October 21, 2026, between 8:00 a.m. and 5:00 p.m.

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.
- Some street parking on Nashville Avenue may be impacted during this work.

Traffic Changes

- Minor delays may be experienced near the work zone.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- To minimize noise impacts on the community, noise monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

- Stockyards Station will be located on Union Street, north of St. Clair Avenue West serviced by the Union-Pearson Express. It will feature two new station buildings, bike parking, bus loop for transit connections, two pedestrian tunnels connecting the east and west platforms, and access to Gunns Road and St. Clair Ave West.
The station will be near the Stockyards District, between Bloor GO/UP Station and the future Mount Dennis GO/UP Station, with convenient connections to TTC streetcar service on St. Clair Avenue, a TTC bus loop, and direct service to Pearson International Airport.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
