Ontario Line

Construction Notice

Temporary overnight lane reductions on the Don Valley Parkway for bridge work

Expected closure: November 1-14, 2026 (intermittent, see dates below)

Hours of work: 11 p.m. to 5 a.m.

What is happening?

- Overnight lane closures will take place on the Don Valley Parkway (DVP) on four nights between November 1 and November 14, 2026, to support Ontario Line construction activities related to the Lower Don Bridge project. Refer to the above map and the "Traffic details" section below for more detailed information.
- Construction crews will build temporary scaffolding to support painting of the bridge arches.
- The work will be completed in two phases, with overnight closures required to safely install and later remove the temporary structures over the affected lanes.
- This work is scheduled overnight to minimize impacts to daytime traffic operations and maintain safety for both workers and road users.
- No pedestrian impacts are expected.

Information as of: October 30, 2026

METROLINX

Traffic details

- Each closure will begin at 11 p.m. on the date listed and end at 5 a.m. the next day.
    - **November 1 and November 2:**
        - Southbound curb lane closure on the DVP to install temporary scaffolding.
    - **November 13 and November 14:**
        - Southbound curb lane closure on the DVP to remove temporary scaffolding.

What to expect

- Advanced signage will be installed to notify drivers of upcoming lane closures.
- Traffic control signage, lane tapers, and traffic management personnel will be present throughout the work area.
- Traffic delays can be expected. Drivers are encouraged to plan ahead and allow for additional travel time.
- Minor overnight noise from cranes, lifting equipment, and construction vehicles is expected. Crews will work to minimize noise where possible.
- Construction equipment and materials will be properly secured within the work zone and removed once the work is complete.
- Emergency vehicle access will be maintained at all times.
- Work may be delayed or rescheduled due to inclement weather and/or unforeseen circumstances.

About the Ontario Line

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 transit connections, including GO, TTC and more.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
