

Construction of Laydown Site at 845 York Mills Road

Scheduled Start Date: April 20, 2026

Scheduled End Date: June 01, 2026

Working Hours: Monday to Friday, 9:00 a.m. to 3:30 p.m.

Description of Image

What Is Happening?

Metrolinx will be setting up a laydown site at 845 York Mills Road. This site will be used to store materials and provide access to the rail corridor. As part of the set up, crews will be conducting various activities such as grading the site with heavy machinery, installing utilities and setting up trailers and barriers. During this time, residents/businesses can expect to see more vehicles traffic in proximity of the site.

What to Expect?

- Construction lighting may be visible from the work site.
- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

GO Expansion will bring faster, more frequent train service by delivering new transit infrastructure and operational plans that will reduce journey times, add capacity and further improve on-time performance and customer satisfaction. The goal is to create a network with the capacity to deliver service every 15 minutes or better, all-day in both directions on core routes across the GO rail network.
