What Is Happening?

As part of early works for the future St. Clair–Old Weston Station, crews will be removing loose vegetation within the Metrolinx right-of-way adjacent to Brickworks Lane. This work is required to support future construction activities, including environmental assessment work and station platform construction. Crews will access the area on foot using existing Metrolinx-owned property to remove loose vegetation from public view. Residents in the immediate area may experience some noise associated with vegetation clearing. Work is tentatively scheduled to run from May 19–22, 2026, between 8:00 a.m. and 5:00 p.m.

What to Expect?

- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.

About the Project

St. Clair-Old Weston Station will be located on Union Street, north of St. Clair Avenue West served by the Union-Pearson Express.

It will feature two new station buildings, bike parking, bus loop for transit connections, two pedestrian tunnels connecting the east and west platforms, and access to Gunns Road and St. Clair Ave West.

The station will be near the Stockyards District, between Bloor GO/UP Station and the future Mount Dennis GO/UP Station, with convenient connections to TTC streetcar service on St. Clair Avenue, a TTC bus loop, and direct service to Pearson International Airport.
