

Wilson Bridge Hydrovac Utility Exploration

Scheduled Start Date: May 27, 2026

Scheduled End Date: June 03, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 5:00 p.m.

What Is Happening?

As part of work on the Bowmanville Extension project, Metrolinx crews will be conducting hydrovac daylighting work to locate and expose underground utilities along Wilson Road South and along the private property line west of Wilson Road South. Work activities will include site preparation, controlled excavation using pressurized water, and vacuum extraction, utility surveying, and backfilling.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

The Bowmanville Extension will extend the Lakeshore East Line nearly 20 kilometers to Bowmanville, connecting more of Durham Region to two-way, all-day rail service. It will provide more direct and convenient connections to the regional rapid transit network, with nearly 17,000 daily trips expected by 2041 to get you where you need to go easier and faster than ever before.
