What Is Happening?

Crews will be working on McNicoll Avenue to conduct rail tie replacement on the Stouffville Line. This will include a full road and sidewalk closure over the entire weekend period.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.

Traffic Changes

- McNicoll Avenue (Eastbound and Westbound) will be closed for the duration of the work. Signage will redirect traffic around the work zones.
- McNicoll Avenue (Eastbound and Westbound) will be rerouted for the duration of the work. Signage will redirect traffic around the work zones.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.

Transit Service

- Please visit [ttc.ca](https://www.ttc.ca) for more information about changes to your travel.

About the Project

Critical State of Good Repair projects collectively aim to ensure the safety and reliability of Metrolinx's rail network, as well as mitigate potential service disruptions and improve on-time performance, customer satisfaction and passenger comfort. This work will extend the lifespan of essential infrastructure by reducing the need for frequent maintenance intervention.
