

Temporary water shutoff to commission new lines on De Grassi Street

Scheduled Start Date: June 09, 2026

Scheduled End Date: June 10, 2026

Working Hours: Monday to Friday, 9:00 p.m. to 7:00 a.m.

Properties impacted by water shutoff

What Is Happening?

A temporary water service shutdown is required to safely connect the new infrastructure to the existing water distribution system. This process helps prevent leaks, protects water quality, and ensures the connection can be completed safely and efficiently. Once the work is complete, the system will be tested and returned to normal operation. Properties on De Grassi Street from Queen St. East to Wardell Avenue will be impacted. Every effort will be made to minimize the duration of the interruption and restore service as quickly as possible.

What to Expect?

- Water shutoff will interrupt service to tenants and residents at De Grassi Street for approximately 10 hours between 06/09/2026 09:00 PM - 06/10/2026 07:00 AM and may be subject to change.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

- 15.6-kilometre subway line that will make it faster and easier to travel within Toronto and beyond.
- 15 stops and more than 40 connections to other transit, including GO train, subway, LRT, streetcar, and bus lines.
- Less than 30 minutes from one end of the line to the other.
- 28,000 fewer cars on the road each day.
