

Temporary Overnight Closure of Gardiner Off Ramp to Yonge Street - Additional work

Scheduled Start Date: July 17, 2026

Scheduled End Date: September 01, 2026

Working Hours: Monday to Friday, 9:00 p.m. to 5:00 a.m.

Gardiner Off Ramp to Yonge Street

What Is Happening?

The Yonge Street Gardiner off-ramp closure is necessary for establishing additional electrical connections for the Union Station Enhancement Project trailer compound located at Yonge and Lakeshore East.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.

Traffic Changes

- The Gardiner off-ramp exit to Yonge Street will be closed for periods of time during the work. Signage will redirect traffic around the work zones.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.

About the Project

Union Station is becoming more accessible and easier to navigate with wider platforms and less crowding. As the gateway to the region, the station is undergoing much-needed modernization while preserving heritage features to meet transit needs now, and in the future. All this to expand capacity and run more trains through the largest transit hub in the GO rail system and bring two-way, all-day service every 15 minutes or better along core segments of the network.
