Map of road diversions on Nugget Avenue for wet utility relocations

What Is Happening?

As part of Scarborough Subway Extension construction, crews need to relocate utilities near the intersection of Nugget Avenue and McCowan Road. This work has now been extended until July 31.

Lanes are currently diverted to the south for approximately two weeks and then will revert back to the north.

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- Two-way directional traffic will be maintained during the work.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.

Transit Service

- The bus stops at Nugget Avenue near McCowan Road will be temporarily relocated away from work zones to the east.. Signs will be posted to keep residents informed.

About the Project

A nearly eight-kilometre subway extension will extend Line 2 further into Scarborough. Three new stops will have connections to up to six other transit options, including TTC buses, GO train, GO buses, Line 5 Eglinton, Durham Region Transit, and the proposed Sheppard Extension. The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
