

Geotechnical investigations in the St Clair Yard

Scheduled Start Date: July 27, 2026

Scheduled End Date: July 30, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 7:00 p.m.

Approximate locations of the boreholes in the St Clair Yard

What Is Happening?

As part of our geotechnical investigation work, crews will be drilling boreholes within the areas shown on the map, in the St Clair Yard. Soil samples will be collected to assess ground conditions.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

GO Expansion will bring faster, more frequent train service by delivering new transit infrastructure and operational plans that will reduce journey times, add capacity and further improve on-time performance and customer satisfaction. The goal is to create a network with the capacity to deliver service every 15 minutes or better, all-day in both directions on core routes across the GO rail network.
