

Partial Intersection Closure at Signalized Intersection at 7700 Hurontario Street

Scheduled Start Date: July 08, 2026

Scheduled End Date: August 13, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 7:00 p.m.

Traffic management map illustrating a partial closure and prohibited turning movements at 7700 Hurontario.

What Is Happening?

From 8 p.m. on July 8, 2026 to August 13, 2026, crews will be installing guideway and tracks at the signalized intersection at 7700 Hurontario Street. Overnight implementation will happen from July 8, 2026 to July 9, 2026. Left turns will be prohibited while the closure is in place and will be reinstated once work is complete.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

Once in service, the 18-kilometre Hazel McCallion Line will bring a new, environmentally friendly and reliable method of transportation to a rapidly growing region. The new transit system will feature 19 stops, travel through two urban growth centres and connect to major transit systems including GO Transit (Milton and Lakeshore West lines), the Mississauga Transitway, Brampton Transit, ZUM and MiWay. The Hazel McCallion Line will operate in its own dedicated lane ensuring a smooth, reliable and convenient ride along the region's busiest street.
