

# Full Road Closure on Teston Road and Lane Closure on McNaughton Road

**Scheduled Start Date:** July 24, 2026

**Scheduled End Date:** July 27, 2026

**Working Hours:** Friday 9:00 p.m. to Monday 6:00 a.m., 24 hours

**Approximate area of work zone. Not to scale. Metrolinx image.**

## What Is Happening?

To support state of good repair work, Metrolinx crews will be completing a turnout replacement and ballast renewal activities within the Right of Way (ROW) from Teston Road to McNaughton Road. This work is a continuation of work initiated in May and will take place during a planned major track closure on the Barrie Line. Teston Road will be closed to through traffic from Keele St. to the rail crossing and McNaughton Road will be reduced to one lane to allow crews to safely complete the work. Construction will take place continuously throughout the weekend.

## What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

## Traffic Changes

- Teston Road between Rodinea Road and Keele Street will be closed to through traffic for the duration of the work. Signage will redirect traffic around the work zones.
- McNaughton Road will be reduced for the duration of the work. Signage will redirect traffic around the work zones.

## Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

## Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

## Transit Service

- Please visit [GOTransit.com](https://www.gotransit.com) for more information about changes to your travel.
- 

## About the Project

Critical State of Good Repair projects collectively aim to ensure the safety and reliability of Metrolinx's rail network, as well as mitigate potential service disruptions and improve on-time performance, customer satisfaction and passenger comfort. This work will extend the lifespan of essential infrastructure by reducing the need for frequent maintenance intervention.
