Map showing a southbound left-turn restriction at Robert Speck Parkway and Hurontario Street.

What Is Happening?

Left turns from southbound Hurontario Street to eastbound Robert Speck Parkway will be prohibited daily from 9 a.m. to 4 p.m., July 28–31, 2026, to facilitate underground conduit repairs. Left-turns will be reinstated outside of working hours.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

- Once in service, the 18-kilometre Hazel McCallion Line will bring a new, environmentally friendly and reliable method of transportation to a rapidly growing region. The new transit system will feature 19 stops, travel through two urban growth centres and connect to major transit systems including GO Transit (Milton and Lakeshore West lines), the Mississauga Transitway, Brampton Transit, ZUM and MiWay. The Hazel McCallion Line will operate in its own dedicated lane ensuring a smooth, reliable and convenient ride along the region's busiest street.
