

Partial Intersection Closure at Sir Lou Drive and Hurontario Street

Scheduled Start Date: August 06, 2026

Scheduled End Date: September 10, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 7:00 p.m.

Map showing restrictions at Hurontario Street and Sir Lou Drive/County Court Boulevard.

What Is Happening?

From 8 p.m. on August 6, 2026 to September 10, 2026, crews will be installing guideway and tracks at the Sir Lou Drive/County Court Boulevard and Hurontario Street. Overnight implementation will happen from August 6, 2026 to August 7, 2026. Eastbound and westbound movements and left turns will not be permitted at this intersection for the duration of this construction. Northbound and Southbound lanes on Hurontario Street will be maintained.

What to Expect?

- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- Please visit <https://www.brampton.ca/EN/residents/transit> for more information about changes to your travel.

About the Project

- Once in service, the 18-kilometre Hazel McCallion Line will bring a new, environmentally friendly and reliable method of transportation to a rapidly growing region. The new transit system will feature 19 stops, travel through two urban growth centres and connect to major transit systems including GO Transit (Milton and Lakeshore West lines), the Mississauga Transitway, Brampton Transit, ZUM and MiWay. The Hazel McCallion Line will operate in its own dedicated lane ensuring a smooth, reliable and convenient ride along the region's busiest street.
