What Is Happening?

As part of ongoing Scarborough Subway Extension construction, crews will be starting Support of Excavation activities within the work zone at the northeast corner of McCowan Road and Nugget Avenue. This work will include piling and pouring concrete for underground foundational structures. Piling involves inserting concrete columns into the ground to reinforce the soil.

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

- A nearly eight-kilometre subway extension will extend Line 2 further into Scarborough. Three new stops will have connections to up to six other transit options, including TTC buses, GO train, GO buses, Line 5 Eglinton, Durham Region Transit, and the proposed Sheppard Extension. The extension will accommodate up to 105,000 daily boardings and put 34,000 more jobs within walking distance to rapid transit.
