

Construction works at Oshawa GO Station

Scheduled Start Date: September 01, 2026

Scheduled End Date: December 31, 2026

Working Hours: Monday to Friday, 7:00 a.m. to 5:00 p.m.

Working area location at Oshawa GO Station

What Is Happening?

As part of the planned upgrade of Oshawa GO Station, we are currently undertaking construction works within the vicinity of the station. Some of the activities underway include surveys and investigations, utilities relocations and the installation of temporary services such as power and water. Later this year or early next year we will be installing bored piles for a future retaining wall and relocating the bus loop to another part of the station car park. More information will be published on the new bus loop in advance of its relocation.

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.

Transit Service

- There is no anticipated impact to transit services.
-

About the Project

- GO Expansion will bring faster, more frequent train service by delivering new transit infrastructure and operational plans that will reduce journey times, add capacity and further improve on-time performance and customer satisfaction. The goal is to create a network with the capacity to deliver service every 15 minutes or better, all-day in both directions on core routes across the GO rail network.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
