GO Expansion

Construction Notice

Union Station - Overnight Yonge Street Lane Closure

Scheduled Start Date: November 06, 2026
Scheduled End Date: November 06, 2026
Working Hours: 12:00 a.m. to 9:00 a.m. (timeline subject to change)

Map showing the extent of the work area

What Is Happening?

Investigation work will be underway on Yonge Street, reducing 2-way travel to 1 lane both ways between Lake Shore Boulevard and Front Street. A singular lane and sidewalk closure will be in effect while the work is ongoing. One lane in each direction and one sidewalk will be maintained during work hours.

What to Expect?

- Overnight lane and sidewalk closures on Yonge Street.
- Construction workers and vehicles present.
- Construction impacts including drilling.
- Construction lighting of the worksite may be visible. Work crews will do their best to position lighting away from adjacent residences.

Traffic Changes

- Northbound single lane closure on Yonge Street below the rial corridor north of Lake Shore Boulevard West and south of Front Street. Traffic to remain open in both directions.

Pedestrian Access

• One pedestrian sidewalk will remain open throughout the work.

Noise & Vibration

• Residences and businesses in the area may experience noise caused by construction equipment related to this work.

Transit Service

- Please visit www.gotransit.com more information about changes to your travel.

About the Project

- Union Station is becoming more accessible and easier to navigate with wider platforms and less crowding. As the gateway to the region, the station is undergoing much-needed modernization while preserving heritage features to meet transit needs now, and in the future. All this to expand capacity and run more trains through the largest transit hub in the GO rail system and bring two-way, all-day service every 15 minutes or better along core segments of the network.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
