Eglinton Crosstown West Extension

Construction Notice

Streetlight installation work at Emmett Avenue and Eglinton Avenue West

Scheduled Start Date: November 02, 2026
Scheduled End Date: November 20, 2026
Working Hours: Monday to Friday, 9:00 a.m. to 5:00 p.m.

Streetlight Installation work at Emmett Avenue and Eglinton Avenue West

What Is Happening?

- Crews working on behalf of Metrolinx will relocate streetlights at the northeast corner of Emmett Avenue and Eglinton Avenue West to support upcoming elevated guideway construction.
- A temporary northbound lane closure will be in place on Emmett Avenue near the intersection.
- Two-way traffic will be maintained with a paid duty officer and flaggers directing vehicles through the work area.
- Sidewalk closures will be in effect on the north side of Eglinton Avenue West and the east side of Emmett Avenue, with pedestrian detours provided.
- Work is subject to City of Toronto permit approval.

Information as of: October 29, 2026

METROLINX

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- Two-way directional traffic will be maintained during the work.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- To minimize noise impacts on the community, noise monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.

Transit Service

- The bus stop[s] at the northeast corner of Emmett Avenue and Eglinton Avenue West will be temporarily relocated away from work zones to 10m north of its current location. Signs will be posted to keep residents informed.

About the Project

- This project will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day. The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
