GO Expansion

Construction Notice

Demolition of 236-254 Old Weston Road Rowhomes

Scheduled Start Date: November 09, 2026
Scheduled End Date: January 29, 2027
Working Hours: Monday to Friday, 7:00 a.m. to 5:00 p.m.

Map depicting work zone.

What Is Happening?

As part of preparatory work for the future Stockyards Station, crews will demolish a series of row homes along a stretch of Old Weston Road. This work is a key component in the eventual Westward extension of Davenport Road. All activities will take place behind construction fencing within the limits of private property. Ahead of work activities, the sidewalk along the west side of Old Weston Road will be closed to pedestrian traffic. No closure of Old Weston Road is anticipated. This work is expected to take approximately six weeks to complete, and will occur within the indicated date range.

Information as of: October 21, 2026

METROLINX

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.
- The properties slated for demolition include:
  - 236 Old Weston Road
  - 238 Old Weston Road
  - 240 Old Weston Road
  - 242 Old Weston Road
  - 244 Old Weston Road
  - 246 Old Weston Road
  - 248 Old Weston Road
  - 250 Old Weston Road
  - 252 Old Weston Road
  - 254 Old Weston Road

Traffic Changes

- No disruptions to traffic are anticipated.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- To minimize noise impacts on the community, noise monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.
- Trucks accessing the site will be equipped with broadband backup alarms, which emit a less disruptive sound compared to traditional beeping backup alarms.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- Stockyards Station will be located on Union Street, north of St. Clair Avenue West serviced by the Union-Pearson Express. It will feature two new station buildings, bike parking, bus loop for transit connections, two pedestrian tunnels connecting the east and west platforms and access to Gunns Road and St. Clair Ave West.
- The station will be near the Stockyards District, between Bloor GO/UP Station and Mount Dennis GO/UP Station, with convenient connections to TTC streetcar service on St. Clair Avenue, a TTC bus loop and direct service to Pearson International Airport.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
