What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- The East Harbour Transit Hub will be an interchange station connecting to the Lakeshore East and Stouffville GO lines, as well as the future Ontario Line subway. Combined with Ontario Line users, the station is expected to serve about 100,000 daily riders once complete.
