Hazel McCallion LRT

Construction Notice

Geotechnical Investigations – Main Street Brampton

Scheduled Start Date: November 09, 2026
Scheduled End Date: May 31, 2027
Working Hours: Monday to Friday, 7:00 a.m. to 7:00 p.m.

A map showing designated construction with red box.

What Is Happening?

As part of our geotechnical investigations, crews will be drilling boreholes along Main Street (Brampton). Soil and rock samples will be collected in order to assess ground conditions. This work is to support future Hazel McCallion Line Extension works.

Information as of: November 03, 2026

METROLINX

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- Two-way directional traffic will be maintained during the work.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.

Transit Service

- There is no anticipated impact to transit services.

About the Project

The extension into downtown Brampton will build on the 18-kilometre Hazel McCallion Line, which will connect Brampton and Mississauga through 19 stops along a dedicated light rail corridor.
