Hazel McCallion LRT

Construction Notice

Temporary Turn Restrictions at Hurontario and Eaglewood

Scheduled Start Date: November 11, 2026
Scheduled End Date: November 16, 2026
Working Hours: Wednesday to Monday, 24 hours

Map showing turn restrictions at Eaglewood and Hurontario Street

What Is Happening?

Crews will install new sanitary infrastructure at Eaglewood Boulevard and Hurontario Street, followed by road milling and paving. From November 11 to 16, 2026, temporary traffic restrictions will be in place, including left-turn restrictions, lane shifts and overnight closures at Eaglewood Boulevard. Additional restrictions will be in place from November 14 to 16, with detours available via Mineola Road, Eaglewood Boulevard and Inglewood Drive. A flagging person will direct traffic through a single-lane (northbound and southbound) alternating configuration on Hurontario Street on November 13-15. Emergency access will be maintained throughout the work

Information as of: November 05, 2026

METROLINX

What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Crews will take precautions to monitor and reduce dust.
- The driveway on Hurontario that provides access to plaza's north of Eaglewood Blvd will be closed for the duration of the work.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.

Transit Service

- Please visit Miway.ca/updates for more information about changes to your travel.

About the Project

- Once in service, the 18-kilometre Hazel McCallion Line will bring a new, environmentally friendly and reliable method of transportation to a rapidly growing region. The new transit system will feature 19 stops, travel through two urban growth centres and connect to major transit systems including GO Transit (Milton and Lakeshore West lines), the Mississauga Transitway, Brampton Transit, ZUM and MiWay. The Hazel McCallion Line will operate in its own dedicated lane ensuring a smooth, reliable and convenient ride along the region's busiest street.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
