What Is Happening?

To support future construction of the Yonge North Subway Extension, crews working on behalf of Metrolinx will be relocating underground utilities along sections of Yonge Street south of Royal Orchard Boulevard. The work area is indicated on the graphic above. This work will help ensure future major construction activities, including tunnelling and station construction, can move forward smoothly.

Information as of: November 06, 2026

METROLINX

What to Expect?

- The driveway on 7967 Yonge Street that provides access to the former TD Bank parking lot will be closed between 08:00 and 16:00 for 3 days during the work.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- single lane on Yonge Street northbound approaching Royal Orchard Boulevard will be closed for periods of time during the work. Signage will redirect traffic around the work zones.
- Two-way directional traffic will be maintained during the work.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- The Yonge North Subway Extension will transform the commute in York Region, Toronto and beyond by extending the TTC's Line 1 subway service north from Finch Station to Vaughan, Markham and Richmond Hill. This project includes five new subway stations along an extension of roughly eight kilometers.
- There may be times when we need to reach you quickly with important or time-sensitive information about the work happening nearby. Email or phone updates are the fastest way for us to keep you informed when it matters. Visit metrolinx.com/GetUpdates to join the list.
