Hazel McCallion LRT

Construction Notice

Traffic Impacts and Works - Rathburn Road

Scheduled Start Date: November 08, 2026
Scheduled End Date: November 16, 2026
Working Hours: Monday to Sunday, 24 hours

Map showing road closures and areas impacted by construction along Rathburn Road.

What Is Happening?

Crews will be completing track drainage, utility crossing, and power connection works for the Mississauga City Centre Stop on Rathburn Rd between Station Gate Rd and Hammerson Dr.
Nov. 8 to 12: Overnight work from 7 p.m. to 6 a.m. Westbound traffic will be detoured using Hammerson Drive. Eastbound traffic will remain open.
Nov. 12 to 13 and 16 to 20: Daytime work from 7 a.m. to 7 p.m. Traffic will remain open in both directions, with a protected pedestrian detour in place.
Nov. 14 to 16: Overnight work from 7 p.m. to 5 a.m. Traffic will remain open in both directions, but vehicular access to the transit terminal will be temporarily closed.
Vehicular access to the City Centre Transit Terminal will be closed for two nights as noted. Signs will be posted to keep the public informed.

Information as of: November 06, 2026

METROLINX

What to Expect?

- Construction lighting may be visible from the work site.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Minor delays may be experienced near the work zone.
- Westbound traffic on Rathburn Rd will be rerouted for periods of time during the work. Signage will redirect traffic around the work zones.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Clear and defined walking paths will be maintained during construction to ensure pedestrian safety.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.

Transit Service

- The bus stop[s] at An eastbound bus stop on Rathburn will be temporarily relocated away from work zones . Signs will be posted to keep residents informed.
- Please visit www.miway.ca/updates for more information about changes to your travel.

About the Project

- Once in service, the 18-kilometre Hazel McCallion Line will bring a new, environmentally friendly and reliable method of transportation to a rapidly growing region. The new transit system will feature 19 stops, travel through two urban growth centres and connect to major transit systems including GO Transit (Milton and Lakeshore West lines), the Mississauga Transitway, Brampton Transit, ZUM and MiWay. The Hazel McCallion Line will operate in its own dedicated lane ensuring a smooth, reliable and convenient ride along the region's busiest street.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
