Eglinton Crosstown West Extension

Construction Notice

Temporary lane closure on Eglinton Avenue West and Emmett Avenue

Scheduled Start Date: November 09, 2026
Scheduled End Date: November 19, 2026
Working Hours: Monday to Friday, 4:00 a.m. to 5:00 p.m.

Map of the construction area

What Is Happening?

Crews working on behalf of Metrolinx will complete a concrete pour on Eglinton Avenue West, east of Emmett Avenue. To safely complete this work, one westbound lane on Eglinton Avenue West will be temporarily closed. Traffic will continue through the area; however, motorists should expect short delays and changes to traffic flow. Please follow posted signage and directions from traffic-control personnel.

Information as of: November 16, 2026

METROLINX

What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

- Eglinton Avenue West Westbound will be reduced for the duration of the work. Signage will re-direct traffic around the work zones.
- Two-way directional traffic will be maintained during the work.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- To minimize noise impacts on the community, noise and vibration monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- This project will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day. The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
