Eglinton Crosstown West Extension

Construction Notice

Concrete deck construction at Eglinton Avenue West and Scarlett Road

Scheduled Start Date: November 26, 2026
Scheduled End Date: November 26, 2026
Working Hours: Thursday 6:00 a.m. to 6:00 p.m.

Concrete base construction at Eglinton Avenue West and Scarlett Road

What Is Happening?

Crews working on behalf of Metrolinx will complete an early-morning concrete pour on the west side of Scarlett Road, near Eglinton Avenue West, beginning at 6:00 a.m. Nearby residents may experience noise from construction vehicles, equipment, and concrete pouring. Traffic lanes will remain open, but motorists may experience short delays due to increased construction vehicle activity. Crews will take steps to reduce noise where possible.

Information as of: November 24, 2026

METROLINX

What to Expect?

- Where possible, lights from equipment will be positioned away from residential homes to keep light pollution levels low.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.
- Trucks leaving the site will use Eglinton Avenue West .
- Trucks entering the site will use Eglinton Avenue West.

Traffic Changes

- Minor delays may be experienced near the work zone.
- Two-way directional traffic will be maintained during the work.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.

Pedestrian Access

- All pedestrian sidewalks will remain open throughout the work.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- To minimize noise impacts on the community, noise monitoring equipment will be installed prior to construction. These devices will help to detect exceedances early to proactively conduct corrective actions as needed while crews work.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- This project will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day. The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
