Hamilton LRT

Construction Notice

Hamilton LRT Utility Investigations Main Street East - London St. N to Fairfield Ave.

Scheduled Start Date: November 02, 2026
Scheduled End Date: December 04, 2026
Working Hours: Monday to Friday, 7:00 a.m. to 7:00 p.m.

This phase of work runs from London St. N to Fairfield Ave; work will start on one side of Main Street East and then shift to the other side. One lane of traffic will always be maintained, and businesses will remain open. No direct impacts are anticipated.

What Is Happening?

During detailed design for the Hamilton LRT, crews will investigate utility locations along the corridor to identify and address potential conflicts before major construction. Daytime work will require short term lane closures and may cause minor delays. Emergency access will be maintained. No direct impacts to nearby businesses, institutions or schools are anticipated.

Information as of: November 25, 2026

METROLINX

What to Expect?

- Trucks and construction equipment may generate dust during construction.
- Crews will take precautions to monitor and reduce dust.
- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Questions about the work?

- For questions about the work, or if there are concerns, please email Hamilton@metrolinx.com or call 905-521-1003 between 8 a.m. and 4 p.m.

Emergency and after-hours contacts

- We don't anticipate any issues, but if you see any concerns, or access is accidentally blocked to a business or institution, please get in touch with David Pitt – 416-668-4363 or Mario Caramo – 289-465-4398.

Traffic Changes

- Main Street East from London Street N to Fairfield Ave. will be reduced for periods of time during the work. Signage will redirect traffic around the work zones.
- A paid duty officer, flaggers and detour signs will be onsite to direct traffic as needed.
- All businesses in the area will remain open during the work. Please follow signage for access.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Residences and businesses in the area may experience noise and vibration caused by construction equipment related to this work.
- Crews will take measures to minimize disruptions to the surrounding area wherever possible.

Transit Service

- There is no anticipated impact to transit services.

About the Project

- This project will bring 14 kilometres of fast, frequent light rail transit through Hamilton's downtown core connecting you from Eastgate to McMaster and everywhere in between. Modern light rail service will connect key areas, destinations, and institutions along Main Street, King Street and Queenston Road. It will move approximately 50,000 riders daily and will support 16,400 new daily trips on transit. It will also feature direct connections to GO Transit and HSR bus service.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
