Eglinton Crosstown West Extension

Construction Notice

Emmett Avenue pedestrian path closure for elevated guideway construction

Scheduled Start Date: December 01, 2026
Scheduled End Date: May 31, 2027
Working Hours: 24 / 7

Map of construction activity

What Is Happening?

Crews working on behalf of Metrolinx will install temporary support structures over the Emmett Avenue pedestrian “zig-zag” path to support construction of the elevated guideway deck. For pedestrian safety, the path will be closed for several months, with pedestrians redirected to an alternate route. Please follow posted signage while travelling through the area.

Information as of: November 26, 2026

METROLINX

What to Expect?

- Increased presence of construction vehicles and equipment can be expected in the work area.
- Work areas will be clearly marked or fenced off to ensure public safety.
- Please exercise caution around active construction sites.
- Work may be delayed or rescheduled due to weather or unforeseen circumstances.

Traffic Changes

No changes to vehicle traffic are expected.

Pedestrian Access

- Temporary sidewalk closures or pedestrian detours will be in place while the work is underway, with signs in place to direct pedestrians as needed.
- Pedestrian detours may be required, with signs in place to direct pedestrians as needed.

Noise & Vibration

- Crews will take measures to minimize disruptions to the surrounding area wherever possible.
- Residences and businesses in the area can expect noise and vibration caused by construction equipment related to this work.
- Trucks accessing the site will be equipped with broadband backup alarms, which emit a less disruptive sound compared to traditional beeping backup alarms.

Transit Service

- Bus Stop ID #11716 - Eglinton Westbound will be closed for the duration of the work. Signs will be posted to keep residents informed.
- Please visit ttc.ca for more information about changes to your travel.

About the Project

- This project will bring even more rapid transit to Etobicoke and Mississauga, making it easier for people to get where they need to be each day. The extension of Line 5 Eglinton will run 9.2 kilometres from the Mount Dennis station to Renforth Drive and will operate mainly underground. Once complete, it will create a continuous rapid transit line that stretches from Scarborough, through midtown Toronto, and into Mississauga.
- Disponible en français sur simple demande. Si cela vous intéresse, veuillez nous contacter à l'adresse courriel ci-dessous.
